Recycling for kids

A banner with the title 'Recycling for kids' in large green letters. Above the title are two green recycling symbols. Below the title is a cartoon illustration of a girl with blonde hair, a tree with a recycling symbol on its trunk, and a blue recycling bin.

We had a lovely morning learning all about the importance of recycling thanks to a visit from Hilary at Veolia. We had so much fun !

JOKE OF THE WEEK!

Why aren't football stadiums built in outer space?
Because there is no atmosphere !
