

Dear Parents and Carers,

Like all schools, we are beginning to look forward to the next academic year and, if possible, would like to explore the concept of reopening either the breakfast club, after school club or both. I know reopening this facility would support many families in our school community and, as a working parent myself, I understand the impact closing the facilities had last year.

To decipher if it is appropriate to reopen the facilities we need to know the likely uptake for both the breakfast and after school club, should they reopen.

Please may I make it clear that at the moment we are purely fact finding. I cannot promise the reopening of either facility based on responses of the following questionnaire alone. A financial plan will need to be agreed by our Multi Academy Trust along with the appointment of appropriately trained staff to ensure all safeguarding and health & safety standards are met.

The breakfast and/or afterschool club would need to be booked on a half-termly basis with an upfront payment for the sessions required for the half term. Missed sessions would be non-refundable. Provisional costs would be £3 a session for breakfast club and £5 a session for afterschool club. However, these costs could be impacted if limited number of children require the facility. Both clubs would be for children in Reception to Year 4.

To help gain a full picture of the needs of our school community I am asking for as many families as possible to complete and return the form below by Tuesday 22<sup>nd</sup> June, even if you do not require either of the clubs.

Many thanks

Mrs NR Brennan
