"SHINE AS A LIGHT IN THE WORLD"

Matthew 5:16

Newsletter No: 25

Dear Parents and Guardians,

What a wonderful week we've had celebrating the King's coronation. Thank you so much to everyone who has helped to make it such a wonderful time for all the children, staff and families at St. Mary's. It was wonderful hearing the children ready and sing so beautifully.

A particular thank you to our PTA and everyone who helped the children make and decorate crowns. They all looked brilliant in our 'crown parade' yesterday.

The children have been given several gifts to help them remember this special event. Our PTA have gifted each child a leather bookmark and the Local Academy Committee (LAC) have gifted pencils. From the Parish Council, children have received engraved coasters. Hopefully, these will help the children to look back on treasured memories when they are older.

Next week we have a 'Bags for Schools' collection, arranged by our PTA. If you have any old clothes that you would like to donate, please drop them into school by morning drop off on Wednesday 10th May.

If you are celebrating with street parties etc. have a wonderful weekend.

*Many thanks
Mrs. N R Brennan*

**Together we sing God save the King!
May he have wisdom every day In every decision that he makes
Together we sing God save the King!
From every street and every town
All of our voices will sing out
God save the King!**

The life of KING CHARLES III

Did you know?...

GOD SAVE THE KING

Charles was the monarch in waiting for 70 years, overtaking Edward VII who had been his heir apparent for 59 years.

The new king has a degree from the University of Cambridge and A Levels in History and French.

Charles is a committed environmentalist who has supported campaigns to address climate change. In 2007, he won Harvard University's Global Environmental Citizen Award.

Charles is also passionate about architecture. His charity – the Prince's Foundation for the Built Environment – has helped design, construct and refurbish important buildings around the world. This won His Majesty the Driehaus Architecture Prize from the University of Notre Dame.

At 73, Charles becomes the oldest British king to be crowned. The previous oldest was William IV, Queen Victoria's uncle, who was 84 at his coronation way back in 1830.
