

Accessibility Plan 2025-2026

At Brewwood CE Middle Academy and St Mary's CE First Academy our values reflect our commitment to a school where there are high expectations of everyone. Pupils are provided with high quality learning opportunities so that each child attains and achieves all that they are able to and be the best they can be. Everyone in our school is important and included. We promote an ethos of care and trust where every member of our school community feels that they truly belong and are valued. We work hard to ensure there are no invisible pupils here, recognising everyone's uniqueness and success. We recognise learning in all its forms and are committed to nurturing lifelong learners. We are a safe school, committed to improving pupil's confidence and self-esteem. We know that safe and happy children achieve.

This Accessibility Plan is drawn up in compliance with current legislation and requirements as specified in Schedule 10, relating to Disability, of the Equality Act 2010.
